2. Travel mileage is \$1.50 per kilometre return.
3. Meals: \$65 per day if callout is over 6 hours inclusive of travel time.
4. Accommodations \$175.00 per night or can be arranged by the customer.

### Project Work

Northern eTech Services is happy to provide quoted work for projects such as rebuilds, upgrades, and installations on a case by case basis. Please call!

### Parts

Parts required for repairs and supplies (tie wraps, nuts and bolts, terminals, connectors, etc.) can be supplied by the hiring company or else will be charged back to the hiring company through a shop supplies charge.

Northern eTech Services keeps a supply of certain electronic components and can source professionally made cables from suppliers. Check out our website at [www.northernetech.ca](http://www.northernetech.ca) where current inventory can be viewed and purchased with a credit card through our secure site. Alternatively, please call!

Delivery of parts is free in Grande Prairie and Clairmont, Alberta

### GST

5% GST will be added.
